What shall I say  
When our neighbors want us to come to tea?  
They don't know you're not with me  
What shall I say?

What shall I say  
When the phone rings and someone asks for you  
They don't know I ask for you too  
What shall I say?

How can I hide the tears inside?  
How can I face the crowd?  
I can make lips of mine be still  
But my heart sighs too loud

I could explain  
That you're gone for only a week, to shop  
But after the week is up  
What shall I say?
