Going out of my mind these days
Like I'm walkin' 'round in a haze
I can't think straight, I can't concentrate
And I need a shave

I go to work and I look tired
The boss man says, "Son, you're gonna get fired"
This ain't your style
And behind my coffee cup I just smile

What a beautiful mess
What a beautiful mess I'm in
Spendin' all my time with you
There's nothin' else I'd rather do

What a sweet addiction
That I'm caught up in
?Cause I can't get enough
Can't stop the hunger for your love

What a beautiful
What a beautiful mess I'm in

This mornin' put salt in my coffee
I put my shoes on the wrong feet
I'm losin' my mind I swear
It might be the death of me, but I don't care

What a beautiful mess
What a beautiful mess I'm in
Spendin' all my time with you
There's nothin' else I'd rather do
What a sweet addiction
That I'm caught up in
?Cause I can't get enough
Can't stop the hunger for your love

What a beautiful
What a beautiful mess I'm in

Is it your eyes? Is it your smile?
All I know is that you're drivin' me wild

What a beautiful mess
What a beautiful mess I'm in
Spendin' all my time with you
There's nothin' else I'd rather do

What a sweet addiction
That I'm caught up in
?Cause I can't get enough
Can't stop the hunger for your love

What a beautiful mess
What a beautiful mess I'm in
Spendin' all my time with you
There's nothin' else I'd rather do

What a sweet addiction
That I'm caught up in
?Cause I can't get enough
Can't stop the hunger for your love

What a beautiful
What a beautiful mess I'm in
