Good morning, beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes to see your sweet face
It's a good morning, beautiful day

I couldn't see the light, I didn't know day from night
I had no reason to care
Well, since you came along I can face the dawn
Cos I know you'll be there

Good morning, beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes to see your sweet face
It's a good morning, beautiful day

I never worry if it's raining outside
Cos in here with you, girl, the sun always shines

Good morning, beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes to see your sweet face
It's a good morning, beautiful day, yeah
Hmm, good morning, beautiful day
Hmm, it's a beautiful day
Good morning
What a beautiful day
