Here I am, a single guy
Seen a lot in this crazy life
Woh yea
There you are, what can I say
Guess you took my breath away
Woh yea

Somethin' in your eyes
Took me by surprise
'Cause when I looked at you
Something you do
Is telling me more than I ever knew

Ho baby
I thought I'd seen everything
'Til I saw you
I thought I'd seen everything baby
I thought I knew

Now here I am, alone with you
What am I supposed to do
Woh oh
Should I stay or should I go
Somethin' tells me I should know
Woh oh

It's something in your touch
That makes me feel so much
You took me by surprise, I realize
And now I can't believe my eyes

Ho baby
I thought I'd seen everything
'Til I saw you
I thought I'd seen everything, baby
I thought I knew

I've been around the world
Seen a lot of girls
An' in and out of love
'Til I had enough
I thought I had everything

'Til I had you, oh baby

Baby let your lovin'
Take me all the way

I thought I'd seen everything
'Til I saw you
I thought I'd seen everything, baby
I thought I knew
I thought I'd seen everything
Oh baby
