In a week or two
I would have been ready
I would have known what to say
But I missed my chance
When the words "I Love You"
Came just a little too late

In a week or two
I was gonna bring you diamonds
In a week or two
A long, long string of pearls
And we would've
Run down to the river that night
Sailed Away, Just me and you
In a week or two

A little more time
Was all I needed
But somehow Fall became Spring
But put off today
What you can do tomorrow
Sometimes you don't do a thing

In a week or two
I was gonna bring you diamonds
In a week or two
A long, long string of pearls
And we would've
Run down to the river that night
Sailed Away, Just me and you
In a week or two

These words in my heart never had a chance to be
heard
But I'm tellin you now for all that it's worth

In a week or two
I was gonna bring you diamonds
In a week or two
A long, long string of pearls
And we would've
Run down to the river that night

Sailed Away, Just me and you
In a week or two
