It was seven hundred fence posts from your place to
ours
Neither one of us was old enough to drive a car
Sometimes it was raining, sometimes it would shine
We wore out that gravel road between your house and
mine

I'd start walking your way
You'd start walking mine
We'd meet in the middle
'Neath that old Georgia pine

We'd gain a lot of ground
'Cause we'd both give a little
There ain't no road too long
When we meet in the middle

It's been seven years tomorrow since we said our vows
Under that old pine tree, you ought to see it now
Standing in the back yard reminding me and you
That if we don't see eye to eye there's something we
can do

I'd start walking your way
You'd start walking mine
We'd meet in the middle
'Neath that old Georgia pine

We'd gain a lot of ground
'Cause we'd both give a little
There ain't no road too long
When we meet in the middle

Babe I love the way we work it out
That's what love's about

I'd start walking your way
You'd start walking mine
We'd meet in the middle
'Neath that old Georgia pine

We'd gain a lot of ground

'Cause we'd both give a little
There ain't no road too long
When we meet in the middle

I'd start walking your way
You'd start walking mine
We'd meet in the middle
'Neath that old Georgia pine

We'd gain a lot of ground
'Cause we'd both give a little
There ain't no road too long
When we meet in the middle

I'd start walking your way
You'd start walking mine
We'd meet in the middle
'Neath that old Georgia pine

We'd gain a lot of ground
'Cause we'd both give a little
There ain't no road too long
When we meet in the middle
