Mirror, mirror, on my wall
Tell me, who is the loneliest fool of all
Now, wait a minute, I believe I see
The answer staring back at me

Spent most of the morning laying in bed
Lunch was a black coffee and three cigarettes
They say it will kill me but I've got a hunch
That this broken heart's gonna beat 'em to the punch

Oh mirror, mirror, on my wall
Tell me, who is the loneliest fool of all
Now, wait a minute, I believe I see
The answer staring back at me

Yes, I'm the one who swore she would stay
Right up to the moment the u-haul drove away
She didn't leave a table, she didn't leave a chair
But she knew what she was doing when she left you
hanging there

Oh mirror, mirror, on my wall
Tell me, who is the loneliest fool of all
Now, wait a minute, I believe I see
The answer staring back at me
Now, wait a minute, I believe I see
The answer staring back at me
