I brought roses to your door last night
I done you wrong but I wanna make it right
I know you say I'm not welcome here
I know it outta be perfectly clear
But I can't help but wonder what it might be like

If I had two dozen roses and an older bottle of wine
If I really could've hung the moon, would it change your
mind?
If I could cry a little harder and get a little less sleep at
night
If I had two dozen roses, would it change your mind?

Oh, I must've been a fool back then
To lose something that you can't have again
I've done all that I know to do
And second guess my every move
But I can't help but wonder how it might have been

If I had two dozen roses and an older bottle of wine
If I really could've hung the moon, would it change your
mind?
If I could cry a little harder and get a little less sleep at
night
If I had two dozen roses, would it change your mind?

If I could cry a little harder and get a little less sleep at
night
If I had two dozen roses, would it change your mind?
Baby, would it change your mind?
Oh baby, could you change your mind?
Baby, would you change your mind?
