Going out of my mind these days,
like I'm walkin 'round in a haze,
I can't think straight, I can't concentrate,
and I need to shave.

I go to work and I look tired,
The boss man said son you gonna get fired,
this ain't your style, and behind my coffee cup,
I just smile.

Chorus
What a beautiful mess, what a beautiful mess I'm in
spending all my time with you
There's nothing else I'd rather do.
What a sweet addiction that I'm caught up in, cause I
can't get enough
Can't stop the hunger for your love.
What a beautiful mess, what a beautiful mess I'm in.
(Ah Ah)

This morning put salt in my coffee
I put my shoes on the wrong feet
I'm loosen my mind I swear, it might be the death of
me, but I don't care.

Chorus

Bridge
Is it your eyes,
is it your smile.
All I know is that
you're driving me wild.

Chorus(2x)
