The road I have travelled on  
Is paved with good intentions  
It's littered with broken dreams  
That never quite came true  
When all of my hopes were dyin'  
Her love kept me tryin'  
And she does her best to hide  
The pain that's she's been through

When she cries  
At night  
And she doesn't think that I can hear her  
She tries  
To hide  
All the fear she feels inside  
So I pray  
This time  
I can be the man that deserves  
Cause I die  
A little each time  
When she cries

She's always been there for me  
Whenever I've fallen  
When nobody else believes  
She'll be there by my side  
I don't know how she takes  
Just once I'd like to make it  
Then they'll be tears of joy  
That fill her loving eyes

When she cries  
At night  
And she doesn't think that I can hear her  
She tries  
To hide  
All the fear she feels inside  
So I pray  
This time  
I can be the man that deserves  
Cause I die

A little each time  
When she cries

( Instrumental Break )

So I pray  
This time  
I can be the man that deserves  
Cause I die  
A little each time  
When she cries
