"When She Cries"

The road I have traveled on
Is paved with good intentions
It's littered with broken dreams
That never quite came true

When all of my hopes were dyin'
Her love kept me tryin'
And she does her best to hide
The pain that she's been through

When she cries at night
And she doesn't think that I can hear her
She tries to hide
All the fear she feels inside

So I pray this time
I can be the man that deserves
'Cause I die a little each time
When she cries

She's always been there for me
Whenever I've fallen
When nobody else believes
She'll be there by my side

I don't know how she takes
Just once I'd like to make it
Then they'll be tears of joy
That fill her loving eyes

When she cries at night
And she doesn't think that I can hear her
She tries to hide
All the fear she feels inside

So I pray this time
I can be the man that deserves
'Cause I die a little each time
When she cries

So I pray this time
I can be the man that deserves

'Cause I die a little each time
When she cries
