She's Got A Million dollar smile
But her habit costs as much
You can look all that you want boy
But don't get caught up in her touch
She lives for self destruction
Don't get drawn in by her charms
She's got make up covering bruises
From all the needles in her arms

She speaks her words
(you know that they are never true)
Beileve her lies
(and now she's coming after you)

She's A Freak (oh yeah) show (well alright)
Everybody wants to take a ride
But she's A Freak (oh yeah) show (well alright)
Get your ticket just to get inside
Cause she's A Freak (oh yeah) show (well alright)
The greatest show you will ever find
Cause she's A Freak (oh yeah) show (well alright)
Get ready she's gonna blow your mind

Of All the bad things that can happen
I assure you she's the worst
And you're not her final victim
You sure as hell weren't her first
Her weapon is seduction
A weapon she uses well
It's funny something so heavenly
Can come straight outta hell

She speaks her words
(you know that they are never true)
Beileve her lies
(and now she's coming after you)

She's A Freak (oh yeah) show (well alright)
Everybody wants to take a ride
But she's A Freak (oh yeah) show (well alright)
Get your ticket just to get inside
Cause she's A Freak (oh yeah) show (well alright)

The greatest show you will ever find
Cause she's A Freak (oh yeah) show (well alright)
Get ready she's gonna blow your mind
