You tell anyone that listens that you are the best
But your girlfriend left this morning with my name
smeared on her chest
I'm not gunna get up because I just came to bed
I got the moans of your old lady still ringing ringing in
my head
You see I get what I want I never use the word please
I've had your girlfriend and your sister both down on
their knees
I'm not looking for trouble I'm just looking for fun
But if you rub me the wrong way, I'll go off like a gun

Whoa I'm a renegade and this is my town
Whoa I'm a renegade and your going down
Whoa I'm a renegade and you're outta luck
Whoa I'm a renegade I don't give a fuck

It's time to go bitch crawl on back in your bottle
Cause you aint a rockstar and your girl aint no model
I don't wanna fight you because I've already won
I just make your life hell because it's so much fun
You see I always win because I don't really care
I'm the one in the barfight your hiding under your chair
So go ahead and call ya mommy cause it's time to go
home
If you haven't got her number it's programmed into my
phone

Whoa I'm a renegade and this is my town
Whoa I'm a renegade and your going down
Whoa I'm a renegade and you're outta luck
Whoa I'm a renegade I don't give a fuck

I'm a renegade (cause I'm a renegade and this is my
town)
I'm a renegade (cause I'm a renegade and your going
down)
I'm a renegade (cause I'm a renegade and you're outta
luck)
I'm a renegade (cause I'm a renegade I don't give a
fuck)
