Sometimes I get emotional
Sometimes I do some stupid things
Sometimes I say what I should just keep inside
Sometimes I'm sad about everything
Sometimes I'm mad and break some things
Sorry times 10 but you just got in the way

Don't give up now running away
I won't hurt you sometimes I'm just a pain
And that's the way it is
That's just the way I am

Sometimes I feel like crying
Laying down and dying
That's when I need you
Laughing's always easy, but sometimes I'm just scared
you'll leave me
That's when I feel emotional
[fade]

You say I'm just impossible
Totally unpredictable
I'm just a girl get use to it
No big deal
You can't change me why would you try?
I'm no angel but I can make you smile
And that's the way it is
That's just the way I am

Sometimes I feel like crying
Laying down and dying
That's when I need you
Laughing's always easy but, sometimes I'm just scared
you'll leave me
That's when I feel emotional

Don't give up
I won't hurt you
Oh, sometimes I'm just a pain
And that's the way it is
That's just the way I am

That's when I need you
Laughing's always easy but, sometimes I'm just scared
you'll leave me
That's when I feel oh yeah
That's when I need you
Sometimes I get emotional
[fade]

That's just the way I am
Sometimes I feel like crying
Laying down and dying
That's when I need you
Laughing's always easy but sometimes I'm just scared
you'll leave me
That's when I feel emotional
