Give me the high, high sign

(CHORUS)

Give me the high, high sign

(High sign, high sign, baby)

Give me the high, high sign

(High sign, high sign, baby)

Come on and lay it on the line

With a high, high sign

(Just a one high sign)

Give me the high sign, baby

(High sign, high sign, baby)

As I stroll around

(High sign, high sign, baby)

Give me the high sign, baby

(High sign, high sign, baby)

And we'll bop around

(High sign, high sign, baby)

Just raise your hand up

And give me one high sign

(Just a one high sign)

(CHORUS) 2X

Now make a high sign, baby

(High sign, high sign, baby)

To show me that you care

(High sign, high sign, baby)

Raise your hand up high

(High sign, high sign, baby)

High up in the air

(High sign, high sign, baby)

When I touch your fingers

Don't you be no square

(Just a one high sign)

(CHORUS)

Give me the high, high sign
(Just a one high sign)
Just a one high sign
(Just a one high sign)
Come on and lay it on the line
(Just a one high sign)
With a one high sign...
