Kathy-O, Kathy-O
Why do the flowers grow
Kathy-O, Kathy
Only for you

Kathy-O, Kathy-O
Sunshine goes where you go
Smile for me, Kathy
The sun will come through

As you sit by the window
Bewitched by a star
Are you really an angel
I wonder what you are

Kathy-O, Kathy-O
Just keep those dreams aglow
You'll always be
My sweet Kathy-O

As you sit by the window
Bewitched by a star
Are you really an angel
I wonder what you are

Kathy-O, Kathy-O
Just keep those dreams aglow
You'll always be
My sweet Kathy-O
