(CHORUS)

She say a  
Oom dooby doom dooby doom  
Dooby dooby dooby doom  
Dooby dooby...

She say rock and I rock  
She say roll and I roll  
She stay stroll and I stroll  
Well, I keep doing what she wants  
She's the captain of my soul

(CHORUS)

She say bop and I bop  
She say hop and I hop  
She stay flop and I flop  
Well, I keep doing what she wants  
Cause she's my only cop

(CHORUS)

She say move and I move  
She say groove and I groove  
She stay fall and I fall  
Well, I keep doing what she wants  
Cause I'm having such a ball

(CHORUS) 2X
