ONE SUMMER NIGHT

The Diamonds/The Danleers

One summer night, we fell in love  
one summer night, I held you tight  
you and I, under the moon of love, moon of love

One summer night, I kissed your lips  
one summer night, I held you close  
you and I, under the moon of love

You kissed me oh, so tenderly  
and I knew this was love  
and I as held you, oh so close  
I knew no one could ever take your place, ohhhh

One summer night, we fell in love  
one summer night, I held you tight  
you and I, under the moon of love, moon of love.
