Church bells may ring  
Then surely, darling  
The angels will sing  
I'll tell you, darling

You're the queen of my throne  
You should have known, sweetheart  
(Sweetheart, known, sweetheart)

Church bells may ring  
Then surely, darling  
The angels will sing  
I'll tell you, darling

You're the queen of my throne  
You should have known, sweetheart  
Ring them bells

Whoa, ring a ling  
A ling a ling ding dong  
I love you, darling  
And I want you for my own  
I'll give you any, anything that I own  
You should have known, sweetheart

Hello, hello again, my friends  
I hope that we will meet again  
Ring a ling a ling, ring a ling a ling

Whoa, ring a ling  
A ling a ling ding dong  
I love you, darling  
And I want you for my own  
I'll give you any, anything that I own  
You should have known, sweetheart  
Ring them bells

Hello, hello again, my friends  
I hope that we will meet again

Whoa, ring a ling  
A ling a ling ding dong

I love you, darling  
And I want you for my own  
I'll give you any, anything that I own  
You should have known, sweetheart
