Oh, whoa, whoa...

Walking along my merry way
Singing a song, I will be gay
I found a love and love is here to stay
Whoa, whoa, whoa, whoa, whoa

Walking along, just feeling glad
Singing a song, I won't be sad
Oh, happy day
I'm just walking along

When I'm walking
Feel just like a king
When I'm singing
I don't care about a thing

The reason I feel the way I do
You love me, whoa, I love you

Walking along my merry way
Singing a song, I will be gay
Oh, happy day
I'm just walking along

Oh, whoa, whoa...

When I'm walking
Feel just like a king
When I'm singing
I don't care about a thing

The reason I feel the way I do
You love me, whoa, I love you

Walking along just any way
Singing a song, I will be gay
Whoa, happy day
I'm just walking along

Oh, whoa, whoa...
