You seem to enjoy seeing me cry,
And after all the wrong that you've done,
Not once did you apologise.
It's clear I don't inspire you, I've done my part,
But this is the last time I stay up all night.

No more tears, I'm through,
And now i'm over you,
And my pillows dry, coz I don't cry at night.
No more tears for you, I've finally let go,
I'm walking away, I'm not looking back,
I'm gonna be strong without you,
No more tears.

It's been a while, still nothing has changed,
And even though I've tried so any times,
to make it right, there's still a fight.
You think that I am so afraid to be on my own,
But little do you know, I'm closing the door.

No more tears, I'm through,
And now i'm over you,
And my pillows dry, coz I don't cry at night.
No more tears for you, I've finally let go,
I'm walking away, I'm not looking back,
I'm gonna be strong without you,
And no more tears.

You may have took my love,
But I still have my pride.
I'm looking back on all the reasons, why,
Did I ever stay so long, I was hanging on,
To a love that was clearly gone.

No more tears, I'm through,
And now i'm over you,
And my pillows dry, coz I don't cry at night. No I don't
No more tears for you, I've finally let you go,
I'm walking away and I'm not looking back,
I'm gonna be strong without you,
No more tears
