how do we go halves in a dog or a house at the beach
how do you intend to make this all up to me
what if love is just like war with no-one to clean the
mess
what if we hold court and i invite my relatives

i thought this was it for me
got a house and a colour t.v.
we'll have a dog instead of a kid
we'll be the perfect family
what's the reason we broke up
wernt we trying hard enough
now i've had to sell the ring
just to pay for everything

how did it go wrong with all the promises we made
how do you take back all the things you said and never
meant
what if theres no right and we've been fighting for a
wrong
what if you had known we wouldn't get along

i thought this was it for me
got a house and a colour t.v.
we'll have a dog instead of a kid
we'll be the perfect family
what's the reason we broke up
weren't we trying hard enough
now i've had to sell the ring
just to pay for everything

i gave you the best of me and now i want it back
who am i to question what is fair in love and war
they were you cd's but it was me who bought the stack
now i just want half of everything to get you back

i thought this was it for me
got a house and a colour t.v.
we'll have a dog instead of a kid
we'll be the perfect family
what's the reason we broke up
wernt we trying hard enough

now i've had to sell the ring
just to pay for everything

just to pay for everything

wernt we trying hard enough

just to pay for everything

we've got a house and a colour t.v.

we'll have a dog instead of a kid

we'll be the perfect family
