Oooooh.Ooooooh.

Verse 1:Have you ever reached a rainbow's end? Did you find your pot of gold? Oooh. Ever caught a shooting star? Tell me how high did you soar. Ever felt like you were dreaming, just to find you're awake? Because the magic that surrounds you will lift you up and guide you on your way.

Chorus

I can see it in the stars across the sky.
Dreamt a hundred thousand dreams
before now I finally realize.You see I've
waited all my life for this moment to arrive.
And finally, I believe.

Verse 2:

When you look out in the distance.
You see it never was that far. Heaven knows
of your existence.And wants you to be
everything you are.Ooooo there's a time for
every soul to fly.It's in the eyes of every child.
It's that hope that love can save the world,
and ooh we should never let it die.

I can see it in the stars across the sky.
Dreamt a hundred thousand dreams
before now I finally realize.You see I've
waited all my life for this moment to arrive.
And finally.Ooooo I believe in the impossible.
If I reach deep within my heart,yea.Overcome
any obstacle.Won't let this dream fall apart.
You see I strive to be the very best.Shine my
light for all to see.Because everything is
possible when you believe.

Chorus

I can see it in the stars across the sky.
Dreamt a hundred thousand dreams
before now I finally realize.You see I've

waited all my life for this moment to arrive.
And finally, I believe.
Yes, I believe.
