Theme: Elton John

Original: Elton John

--

You could never know what it's like  
Blood like winter freezes just like ice  
And there's a cold and lonely light that shines from you  
You'll wind up like the wreck you hide behind that mask  
you use

Don't you know I'm still standing better than I ever did  
Come on, give me hands up!  
Looking like a true survivor, come on!  
Feeling like a little kid, yeah  
I'm still standing after all this time  
Picking up the pieces of my life without you on my  
mind, yeah girls!

I'm still standing, yeah, yeah, yeah  
I'm still standing, yeah, yeah, yeah

Did you think this fool could never win?  
Look at me, I'm coming back again  
I got a taste of love in a simple way  
And if you need to know while I'm still standing you just  
fade away

Don't you know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid,  
yeah  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah  
I'm still standing, yeah, yeah, yeah  
I'm still standing!
