--

No sunshine, no moonlight
no stardust, no sign of romance
and I won't waste another tear

If you've had enough,
don't put up with his stuff,
don't you do it

Oh, if you've had your fill,
get the check, pay the bill,
you can do it

Tell him to just get out,
nothing left to talk about
pack his raincoat, show him out

Just look at him in the eye and simply shout:
enough is enough is enough
I can't go on, I can't go on no more, no
enough is enough is enough
I want him out, I want him out that door now

I always dreamed I'd find my perfect lover
but he turned out to be like every other man
I've loved, I've loved, I've loved

Enough is enough is enough
I can't go on, I can't go on no more, no
enough is enough is enough
I want him out, I want him out that door now
enough is enough is enough
