One voice

Singing in the darkness

All it takes is one voice

Singing so they hear what's on your mind

And when you look around you'll find

There's more than one voice

Would start it on it's own

We need just one voice facing the unknown

And then that one voice would never be alone

It takes that one voice

Just one voice

Singing in the darkness

All it takes is one voice

Shout it out and let it ring

Just one voice

It takes that one voice

And everyone will sing
