All my life  
There was just me and my dreams  
And the days went tickin' by  
Like the beat of my heart

Spend my nights  
Wonderin' how it would feel  
When the waiting would end  
And tomorrow would start  
Suddenly I see the light  
Out of the darkness I'm comin' alive

So this is how it feels  
Reachin' for heaven  
This is how it feels  
Kissin' the sky  
This is what it means  
Touching forever  
Like a phoenix rising from the flames  
I'm reachin' for heaven

All this time  
I never knew I was so strong  
But you made me find the fire  
That was there all along  
In your eyes  
I can see all I can be  
Suddenly I want it all  
And I know you'll catch me if ever I fall

So this is how it feels  
Reachin' for heaven  
And this is how it feels  
Kissin' the sky  
This is what it means  
Touching forever  
Like a phoenix rising from the flames  
I'm reachin' for heaven

You alone have shown me  
Shining new horizons  
Now for all I owe you

It's my turn to show you

This is how it feels  
Reachin' for heaven  
And this is how it feels  
Kissin' the sky  
This is what it means  
Touching forever  
Like a phoenix rising from the flames  
I'm reachin' for heaven  
Reachin' for heaven

This is how it feels  
Kissin' the sky  
This is what it means  
Touching forever  
Like a phoenix rising from the flames  
I'm reachin' for heaven  
Reachin' for heaven  
Heaven
