You better think (think)  
Think about what you're tryin' to do to me  
Think (think-think) let your mind go  
Let yourself be free

Let's go back - let's go back  
A let's go way on to way back when  
I didn't even know you  
You couldn't a been too much more than ten (just a  
child)

I ain't no psychiatrist  
I ain't no doctor with degrees  
But it don't take too much I.Q.  
To see what you're doing to me

You better think (think)  
Think about what you're tryin' to do to me  
Yeah, think (think-think)  
Let your mind go, let yourself be free

Oh freedom (freedom)  
Let's have some freedom (freedom)  
Oh freedom  
Yeah, freedom (yeah)

You got to have freedom (freedom)  
Oh freedom (freedom)  
You need you some freedom  
Oh freedom

Oh ya got to have  
Hey! think about it  
You! think about it

There ain't nothin' you could ask  
I could answer you but I won't (I won't)  
But I was gonna change ya, I'm not  
If ya keep doin' things I don't (don't)

You better think (think)

Think about what you're tryin' ta do to me  
(What you're tryin' to do to me)  
Oh-oh-oh think (think)  
Let your mind go, let yourself be free

People walk around everyday  
Playin' games and takin' scores  
Tryin' to make other people lose their mind  
Well, be careful you don't lose yours

Ooh think (think)  
Think about what you're tryin' to do to me  
Woo-hoo, think (think)  
Let your mind go, let yourself be free

You need me (need me)  
And I need you (don't cha' know)  
Without each other  
There ain't nothin' we two can do

Oooh yeah, think about it, baby  
(What 'cha tryin' to do to me, think)  
Better go baby, think about it right now

Yeah, right now (tell about - forgiveness)  
Woo, right now (tell about - forgiveness)  
Hey, right now (tell about - forgiveness)  
I need to change your mind (think about it)  
Baby, baby, baby  
(Tell about it - forgiveness)  
Woo, tell about it baby (tell about - forgiveness)  
FADES-  
Yeah, woo-hoo (tell about - forgiveness)  
Tell about it baby, you think about it right now
