Sitting on the curb  
It's getting harder to breathe  
I never wanted to need you  
To find me

Close enough to walk home  
But I'm too far gone  
Can't move ahead cause I can't leave you  
Behind me

The way you look at her  
The way you pull away  
The way it breaks my heart  
Cause I can't stay

I've got no place to go  
I've got nowhere to be  
I watch the world around me spin  
But I'm not movin'

Sitting next to you  
It was so easy to smile  
Just drinkin' away the summer  
You were the good days

But then you looked at her  
Why did it have to change?

And it's just so damn hard  
To walk away

I've got no place to go  
I've got nowhere to be  
I watch the world around me spin  
But I'm not movin'

I've got no place to go  
I've got nowhere to be  
I watch the world around me spin  
But I'm not movin'  
I'm not movin'

How did it come to this?  
Oh!

I've got no place to go  
I've got nowhere to be  
I watch the world around me spin  
But I'm not movin'  
I'm not movin'  
I'm not movin'
