Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted, leaving love unsure
Makes will power weak and temptation strong

A woman's only human
You should understand
She's not just a plaything
She's flesh and blood just like her man
If you want a do-right-all-day woman
You've got to be a do-right-all-night man

They say that it's a man's world
Well you can improve that by me
And as long as we're together baby
Show some respect for me

A woman's only human
You should understand
She's not just a plaything
She's flesh and blood just like her man
If you want a do-right-all-day woman
You've got to be a do-right-all-night man
