I don't believe I'll fall in love today
Old memories of you stand in the way
I just can't make my heart find someone new
It's always much too busy with the blues

Each night I pray I'll wake at dawn and find
Another in my heart and on my mind
Then I'll wake and hear my poor heart say
I don't believe I'll fall in love today

I don't believe I'll fall in love today
'Cause if I did I know I wouldn't stay
You'd come between us like you always do
Somehow he'd never measure up to you

Each night I pray I'll wake at dawn and find
Another in my heart and on my mind
Then I'll wake and hear my poor heart say
I don't believe I'll fall in love today
