Think of your fellow man lend him a helping hand
Put a little love in your heart
You see it's getting late please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me you just wait
Wait and see

Another day goes by and still the children cry
Put a little love in your heart
If you want the world to know we won't let hatred grow
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me you just wait
Wait and see

Take a good look around and if you're looking down
Put a little love in your heart
I hope when you decide kindness will be your guide
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me you just wait
Wait and see

Put a little love in your heart
Put a little love in your heart
Put a little love in your heart
Put a little love in your heart
