THE LOVING KIND

WRITERS ROGER BOWLING, LARRY BUTLER

Somewhere I heard these words one time

Love is like a clinging vine

Wrap me 'round your heart

And 'round your mind

I've never had to cling to you

'Cause I have no fear of losin' you

Our love is not a clinging vine

It's the lovin' kind

Somewhere I let read these words one time

Love is like a glass of wine

Aging made it sweeter and so fine

It's no better now than before

'Cause we've got the best and there's nothin' more

Our love is not a glass of wine

It's the lovin' kind

Let them write their fancy words

For people who have never heard or tasted

A love like yours and mine

Ours is not a clinging vine

And its certainly not a glass of wine

It's love

And our love is the lovin' kind

Our love is not a clinging vine

And its certainly not a glass of wine

It's love

And our love is the lovin' kind
