May each moment I live be yours love may the best I  
can give be yours love  
And from this moment on may a love that is strong and  
lives on and on be yours love  
May the sons that I raise be yours love may the  
comforts I praise be yours love  
If I ever get weak may the love words I speak and the  
arms that I seek be yours love  
May the Lord's shining grace be yours love may the  
happiest face be yours love  
May the last fingertips that touch these two lips as life  
from me slips be yours love
