Won't you give me some time to realize my crime
Let me love you steal
I have danced inside your eyes
How can I be real?

You wanna hurt me now, baby

Do you really want to hurt me?
Do you really want to make me cry?
Precious kisses, words that burn me
Lovers never ask you why

In my heart the fire's burning
Choose my color, find a star
Precious people always tell me
That's a step, a step too far

Tell me
Do you really want to hurt me?
Do you really want to make me cry?
Do you really want to hurt me?
Do you really want to make me cry?

Words are few I have spoken
I could waste a thousand years, yeah
Wrapped in sorrow words are token
Come inside and catch my tears

'Cause you've been talking but believe me
And if it's true you don't know
This boy loves without a reason
I'm prepared to let you go

Tell me
If it's love you want from me
Then take it away
Everything is not what you see
It's over today

Do you really want to hurt me?
Do you really want to make me cry?
Do you really want to hurt me?

Do you really want to make me cry?

Oh don't make me cry
Don't make me cry
Don't make me cry

Do you really want to hurt me?
Do you really want to make me cry?
Wanna make me cry, do you baby?

Do you really want to hurt me?
Do you really want to make me cry?
You wanna make me cry
You wanna make me cry
You wanna make me cry

Do you really want to hurt me?
Do you really want to make me cry?
