I'm gonna find my way back  
Find my way back

If it takes my whole life through  
I'm gonna find my way back  
No matter what I must do  
I'm gonna find my way back  
(Find my way back)  
Find my way back

There's an ocean between us  
I never meant it to be this way  
Oh Lord, if I could have foreseen this  
I'd take us back to yesterday

If it takes my whole life through  
I'm gonna find my way back  
No matter what I must do  
I'm gonna find my way back to you

I wish I could turn back the time, yeah  
Life was so much sweeter then, my friend  
The only thing that keeps me alive  
Is believing I'll be in your arms again, once again

If it takes my whole life through  
I'm gonna find my way back  
No matter what I must do  
I'm gonna find my way back to you

If it takes my whole life through  
I'm gonna find my way back  
No matter what I must do  
I'm gonna find my way back

(Find my way back)  
Find my way back  
(Find my way back)  
I'm gonna find my way back  
(Find my way back)  
Find my way back to you

If it takes my whole life through  
I'm gonna find my way back  
No matter what I must do  
I'm gonna find my way back to you

Even if I lose it all  
I'm gonna find my way back  
No matter how far I fall  
I'm gonna find my way back to you, oh yeah

(Find my way back, find my way back)  
Find my way back to you  
(Find my way back to you)

(Find my way back, find my way back)  
I'm gonna find my way back  
(Find my way back to you)

(Find my way back)  
Find my way back, find my way  
(Find my way back to you)

To you  
(Find my way back, find my way back)  
To you  
(Find my way back to you)

I'm gonna find  
(Find my way back, find my way back)  
(Find my way back to you)  
Find my way back
