Say a little prayer for you
Me I go say a little prayer for you
Say a little prayer for you
Me I go say a little prayer for you

From the moment me wake up
Before me put on me make up
Me say a little prayer for you

Me combing me hair now
And me wonderin' which dress me wear now
Me say a little prayer for you

Forever and ever, you'll stay in my heart
And I'll love you, forever and ever
We never will part and I'll love you
Together, together, that's how it should be
Without you would only mean heartbreak for me

Me run for the bus, love
Me ridin' me think for us, love
Me say a little prayer for you

At work I just take time
And all through my coffee break time
Me say a little prayer for you

Forever and ever, you'll stay in my heart
And I'll love you, forever and ever
We never will part and I'll love you
Together, together, that's how it should be
Without you would only mean heartbreak for me

Say a little prayer for you
Me I go say a little prayer for you
Say a little prayer for you
Me I go say a little prayer for you

Forever

Forever and I love you
Forever and I love you

Forever and I love you
Forever

Me say a little prayer for you, ohh

Forever and ever, you'll stay in my heart
And I'll love you, forever and ever
We never will part and I'll love you
Together, together, that's how it should be
And I'll love you

Forever and ever, you'll stay in my heart
And I'll love you, forever and ever
We never will part and I'll love you
Together, together, that's how it should be
Without you would only mean heartbreak for me

Forever and ever, you'll stay in my heart
And I'll love you, forever and ever
We never will part and I'll love you
