From the moment me wake up
before I put on me makeup
me say a little prayer for you..
while combing me hair now
and wond'ring what dress to wear now
me say a little prayer for you...

chorus:

forever, n ever, you'll stay in my heart, and I'll love you
forever, n ever, we never will part, oh I love you
together, forever, that's how it should be
without you
would only mean heartbreak for me...

me run for the bus dear, while riding me think of us
dear,
me say a lil prayer for you
at work me jus take time, and all thru me coffee break
time
me say a lil prayer for you...

chorus

my darling believe me
for me there is no one but you
say you love me too...

chorus
