I'll Say A Little Prayer

From the moment I wake up  
Before I put on my makeup  
I say a little prayer for you..  
While combing my hair now  
And wond'ring what dress to wear now  
I say a little prayer for you...

Chorus:

Forever, and ever, you'll stay in my heart, and I'll love  
you  
Forever, and ever, we never will part, oh I love you  
Together, forever, that's how it should be  
Living without you  
Would only mean heartbreak for me...

I run for the bus dear, while riding I think of us dear,  
I say a lil prayer for you  
At work I just take time, and all through my coffee  
break time  
I say a lil prayer for you...

Chorus

My darling believe me  
For me there is no one but you  
Say you love me too...

Chorus
