This love will never die
Lookin' at me, am not tellin' lie

I watch you as you sleep
I think about tomorrow
I pray you'll never go
Somewhere I couldn't follow

Young as we are now
We won't live forever
Sad but true
If you went away

I'd still be loving you
(Watch me now)
Still be wanting you
(Watch me now)

Looking in your eyes
I see our children's children
As sure as the sun will rise
Together we shall see them

But if this cannot be
Time won't change
The way I feel, that's true
If you only knew

I'd still be loving you
(Watch me now)
Still be wanting you
(Watch me now)

Even if you weren't mine
You know I couldn't love you better
And even if you were dying
I wouldn't care, I'll be there
For always

Still be loving you
(Watch me now)
Still be wanting you

(Watch me now)
Still be loving you
(Watch me now)
Still be wanting you
(Watch me now)

Still be loving you
(Watch me now)
Baby I still be wanting you
(Watch me now)
Still be, Still be loving you
(Watch me now)
Still be wanting you
(Watch me now)
I'll still be wanting you
Still be leaving you, babe

This love will never die
Lookin' at me, am not tellin' lie
Never die
