Wicked like me

Wicked like me, nobody wicked like me  
Gal like me shoulda star in a yu movie  
Wicked like me, when yu wicked like me  
Wicked like me, me full a nuff styleie

So you wanna romance me, undress me  
You gotta impress me  
I can be easy if I wanna be  
But you got to please me

If it's the same old story  
You want my body or you want my money  
I don't need you hanging around  
Unless you

Wicked like me, nobody wicked like me  
Gal like me shoulda star in yu movie  
Wicked like me, when yu wicked like me  
Wicked like me, x-amounta styleie

Gal like me shoulda star in yu movie  
Wicked like me, when yu wicked like me  
Wicked like me, me full a nuff styleie

And oh, there ain't a girl in the world  
Who can make you feel like I do  
If I wanted to
