You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things
Apply
As time goes by

And when two lovers woo
They still say
"I love you"
On that you can rely

No matter
What the future brings

As time goes by
Moonlight
And love songs
Never out of date
Hearts
Full of passion
Jealousy and hate
Woman needs man
And man
Must have his mate
That no one can deny

It's still
The same old story
A fight for love
And glory
A case of do or die
The world will always
Welcome lovers
As time goes by
