No cares for me  
I'm happy as I can be  
I've learned to love and to live  
Devil may care

No cares and woes  
Whatever comes later goes  
That's how I'll take and I'll give  
Devil may care

When the day is through, I suffer no regrets  
I know that he who frets, loses the night  
For only a fool, thinks he can hold back the dawn  
He who is wise never tries to revise what's past and  
gone

Live love today, let him come tomorrow what may  
Don't even stop for a sigh, it doesn't help if you cry  
That's how I'll live and I'll die  
And devil may care

No cares for me  
I'm happy as I can be  
I've learned to love and to live  
Devil may care

No cares and woes  
Whatever comes later goes  
That's how I'll take and I'll give  
Devil may care

When the day is through, I suffer no regrets  
I know that he who frets, loses the night  
For only a fool, thinks he can hold back the dawn  
He who is wise never tries to revise what's past and  
gone

Live love today, let him come tomorrow what may  
Don't even stop for a sigh, it doesn't help if you cry  
That's how I'll live and I'll die  
Devil may care

Devil may care  
Surely devil may care  
Devil may care
