Ohh, do it again
I may say no, no, no
But do it again

My lips just ache to have you take
The kiss that's waiting for you
You know if you do, you won't regret it
Come and get it

Ohh, no one is near
I may cry oh, oh, oh
But no one can hear

Mama may scold me
'Cause she told me it was naughty
But then, please do it again
Just do it again

Come and get it, ohh
Turn out the light and hold me close
Close in your arms all through the night

Mama may scold me
'Cause she told me it was naughty
But then, please do it again
Just do it again and again and again and again
And again
And again and again
Just do it again
