Stars, shining bright above you
Night breezes seem to whisper I love you
Birds singing in the sycamore tree
Dream a little dream of me

Say nighty night, and kiss me
Just hold me tight and
Tell me you miss me
While I'm alone, and blue as can be
Dream a little dream of me

Stars fading, but I linger on dear
Still craving your kiss
I'm longing to linger 'til dawn dear
Just saying this
Sweet dreams, 'til sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams, whatever they be
Dream a little dream of me

Stars fading, but I linger on dear
Still craving your kiss
I'm longing to linger 'til dawn dear
Just saying this
Sweet dreams, 'til sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams, whatever they be
Dream a little dream of me
