I know a little bit about a lot of things  
But I don't know enough about you  
Just when I think you're mine  
You try a different line and baby what can I do?

I read the latest news no buttons on my shoes  
But baby I'm confused about you  
You've got me in a spin and what a spin I'm in  
'Cause I don't know enough about you

Jack of all trades, master of none  
And isn't it a shame  
I'm so sure that you'd be good for me  
And if you'd only play my game

You know I went to school and I'm nobody's fool  
That is to say until I met you  
I know a little bit about a lot of things  
But I don't know enough about you

Jack of all trades, master of none  
And isn't it a shame  
I'm so sure that you'd be good for me  
If you'd only play my game

You know I went to school and I'm nobody's fool  
That is to say until I met you  
I know a little bit about a lot of things  
But I don't know enough about you

I know a bit about biology  
A little more about psychology  
I'm a little gem in geology  
But I don't know enough about you

And no, I don't know enough about you  
No I don't know enough about you
