I remember you  
You're the one who made my dreams come true  
A few kisses ago

I remember you  
You're the one who said I love you too  
I do, didn't you know?

I remember too a distant bell  
And stars that fell like rain out of the blue

When my life is through  
And the angels ask me to recall the thrill of them all  
Then I shall tell them, I remember you

I remember too a distant bell  
And stars that fell like rain out of the blue

When my life is through  
And the angels ask me to recall the thrill of them all  
Then I shall tell them, I remember you
