I've got the world on a string
Sitting on a rainbow
Got the string around my finger
What a world, what a life
Ooh, I am in love

I've got a song that I sing
I can make the rain go
Anytime I move my finger
Lucky me, can't you see
I am in love

Life is a beautiful thing
As long as I've got a hold of that string
I'd be a silly so-and-so
If I should ever let go

I got the world on a string
Sitting on a rainbow
Got the string around my finger
Lucky me, can't you see, can't you see, can't you see
I am in love

Life is a beautiful thing
As long as I've got a hold of that string
I'd be a silly so-and-so
If I should ever, ever, ever let go

I've got the world, I've got the world, I've got the world
I've got the world, can't you see
I've got it wrapped around my finger
Lucky me, I am in love

I've got the world on a string
I've got the world on a string
I've got the world on a string
Sitting on a rainbow

I am in love
I am in love
I am in love
