I have a feelin', it's a feelin'
I'm concealin', I don't know why
It's just a mental, a sentimental
Alibi
But I, adore you
So strong, for you
Why go on stallin'
Love is calling
And I am falling
And why be shy

Lets fall in love
Why shouldn't we fall in love?
Our hearts are made for it, let's take a chance
Why be afraid of it?
I'll tell you why

Lets close our eyes and
Make our own paradise
Little we know of it, still we can try
To make it goin'
Mm, mm, mm

We might haven't meant for each other
To be or not be, let our hearts discover

Lets fall in love
Why shouldn't we fall in love?
Now is the time for it, while we are young
Let's fall in love

We might have been meant for each other
To be or not be, let our hearts discover

Lets fall in love
Why shouldn't we fall in love?
Now is the time for it, while we are young
Lets fall in love
Lets fall in love
Lets fall in love

Lets fall in love
