The men that I've been seeing baby
They got their soul upon a shelf
You know they could never love me
When they can't even love themselves

And I need someone to love me
Someone who really understands
Who won't put themselves above me
Who'd just love me like a man

I'd never seen such losers darling
And even though I tried to find a man
Who could take me home
Instead of taking me for a ride

And I need someone to love me
Darling I know you can't
Don't you put yourself above me
You just love me like a man

They all want me to rock them
Like my back ain't got no bone
I want a man to rock me
Like my backbone was his own

Darling I know you can
Believe me when I tell you
You can love me like a man

Came home sad and lonely
I feel like I wanna cry
Want a man to hold me
Not some fool who'd ask me why?

And I need someone to love me
Baby you can't
Don't you put yourself above me
Just love me like a man
